## **RF MONOLITHICS, INC. TO PRESENT AT 7<sup>TH</sup> ANNUAL AEA MICRO CAP FINANCIAL CONFERENCE**

**DALLAS, TEXAS, (May 2, 2005) RF Monolithics, Inc. [NASDAQ:RFMI] (RFM)** a leading developer, manufacturer and supplier of radio frequency wireless solutions will be presenting at the 7<sup>th</sup> annual AeA Micro Cap Financial Conference on Tuesday, May 17, 2005. The conference, an investment event for technology companies under \$200 million in annual sales or market cap, is held each spring. The conference's unique format allows more than 400 investors, analysts and fund managers to hear about technologies, strategic missions and trend analyses directly from executives of 120 technology companies. The conference is being held at the Monterey Plaza Hotel in Monterey, California, May 15-17, 2005.

RFM welcomes this opportunity to discuss its strategy for growth and its participation in growing markets by providing wireless solutions for applications in the automotive, consumer, industrial, and communications markets worldwide.

**Internet Access:** The presentation will be webcast by CCBN. You may access the live presentation at 3:30 p.m. (PST), Tuesday, May 17, 2005, on RFM's website, click on the Investor Relations page; or through CCBN's distribution channels. A replay will be available following the live broadcast through CCBN.

For additional information on this and other upcoming RFM events, please visit the RFM website at [www.rfm.com](http://www.rfm.com), or contact the Investor Relations Department at 972-448-3767.

### **About AeA**

AeA, founded in 1943, is a nationwide trade association that represents all segments of the technology industry and is dedicated solely to helping its members' top line and bottom line. This is accomplished in partnership with its small, medium, and large member companies by lobbying governments at the state, federal, and international levels, providing access to capital and business opportunities, and offering select business services and networking programs. For more information, please visit <http://www.aeanet.org>.

### **About RFM**

Celebrating over 25 years of low-power wireless solutions, RFM, headquartered in Dallas, Texas, is a leading designer, developer, manufacturer and supplier of radio frequency wireless solutions enabling wireless connectivity for the automotive, consumer, industrial, medical and communications markets worldwide, allowing our customers to provide products and services that are both cost effective and superior in performance. RFM's wireless solutions are supported by industry leading customer service.
