The purpose of this Discontinuance Product Notice is to communicate that RFM no longer distributes the Bluetooth products from Bluegiga as noted in the above table. RFM will continue to supply Bluetooth parts to existing customers of these products.

**REPLACEMENT PARTS.** Please note that Bluegiga is NOT obsoleting these parts. Customers who have not purchased these parts through RFM should contact Bluegiga or one of their distributors to purchase. RFM will continue to serve customers who have purchased Bluegiga products through RFM.

**NO LAST-TIME-BUYS OFFERED.** As the Bluegiga products are still available from other channels, there is no need for any last-time-buys for these parts.

Please contact RFM with any questions, concerns or issues related to this discontinuance product notice.
